

# **STOKED WEEKLY PROGRAMME WINTER 2020/21**

Your child is in group lessons and you are looking for the right activity? You are in Zermatt for the first time and want to explore the destination? Our Stoked Guides will lead you through the Zermatt mountain world, show you our favourite places and share our passion with you.

### WEDNESDAY

### **INTRODUCTION TO TOURING**

Is ski and splitboard touring a new world to you? From handling the equipment, to assessing safety and tour planning, we will guide you step by step into the world of ski and splitboard touring.

### SUNDAY

### WARM UP SKI

Half day lesson for the whole family -Find the feeling for the skies again and get to know the area. We meet at the Sunnegga mountain station and explore the area around Rothorn, Hohtälli and Gornergrat together.

# THURSDAY

### **SNOW SHOE HIKE**

A guided snowshoe hike through the Zermatt winter landscape. We take the gondola to Schwarzsee and hike from there to Stafel with our snowshoes. Exclusively for the group, a delicious fondue will be prepared and enjoyed together in a Valais "Gädi". With new energy we return to Zermatt through the snow-covered landscape.

### MONDAY

### **SLEDGING ON GORNERGRAT**

Enjoy the wonderful view of the unique mountain world on the Gornergrat and benefit from the knowledge of our guides. Afterwards we ride to Rotenboden and enjoy the sledging fun to Riffelberg.

# FRIDAY

### **E-FAT BIKE TOUR** Guided E-Fatbike tour through the Zermatt winter landscape at night.

# **TURBINA Z'NACHT**

A dinner in the old hydroelectric power station. Experience a unique atmosphere between the original turbines and enjoy a raclette à discretion at the long tables - in a group or as a couple.

## WINTER WALK

We hike from Zermatt to the Stoked Kids Park, warm up with a cup of tea and then continue to Stafel. Exclusively we enjoy a fondue in a Valais 'Gädi'. Before we return to the village, there is a delicious dessert in a mountain restaurant.

## **SLEDGING FURI - ZERMATT**

After an Apéro at Furi, we go with the sledges to Zermatt and the Turbina.

#### **TURBINA 'KRAFTMAHL'** The adventure dinner in Zermatt!

In the past the Turbina used to generate hydro power, today it is a source of new energy based on flavour, tradition and knowledge. Enjoy a dinner in a unique atmosphere between the historic turbines.

## SATURDAY

#### **FAMILY SKI DAY** The highlight for families!

The private family ski course gives you the opportunity to focus where your family members need it. Whether you want to do your first parallel turns or learn how to carve - our well-trained ski instructors will help you at your level and fulfil your wishes!
